We hereby certify that Celso Melchiades Doria, participated in the Master Class Instantons, Knots and Khovanov, from August 1th to 5th, 2011, and in the Aarhus Gauge Theory Workshop, from August 8th to 12th, where he gave a lecture with the title

*Variational aspects about the Existence of
Seiberg-Witten Monopoles on a Four Manifold*

Both events were held in the Centre for Quantum Geometry of Moduli Spaces, Faculty of Science, Aarhus University, Aarhus, Denmark.

Yours Sincerely

Centre for Quantum Geometry of Moduli Spaces
Aarhus University
